Barry Glasgow Named Director of Asian Sales

Billerica, MA – June 14, 2004 – NEXX Systems is pleased to announce that Barry Glasgow has joined the company as director of Asian sales. He comes to NEXX with 20 years of sales experience in Asia and 30 years of experience selling and supporting capital equipment.

Mr. Glasgow will be located at NEXX Systems corporate headquarters in Billerica, Massachusetts, and will report to John Chrisos, vice president of customer operations. According to Mr. Chrisos, “We are fortunate to have Barry on the NEXX sales team. His extensive experience in Asia will allow the company to rapidly expand over the next few years.”

Mr. Glasgow has held senior level sales positions at Electro Scientific Industries, Inc. in Portland, OR; ADE Corporation in Westwood, MA, and Semitest, Inc. in Billerica, MA.

NEXX Systems brings exceptional technical expertise to flip chip and advanced packaging. Our product lines provide the most efficient, yet affordable, systems of their kind: Nimbus for multi-layer sputter deposition of metals, and Stratus for high throughput electro-deposition of metals. Additional information can be found at: www.nexxsystems.com.

“Safe Harbor” statement: This release may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 regarding future events or the future performance of NEXX Systems. These statements are only predictions. Actual events or results may differ materially from those in other forward-looking statements set forth herein. Among the important factors that could cause actual events to differ materially from those in other forward-looking statements are potential fluctuations in quarterly results, dependence on new product development, rapid technological and market change, acquisition strategy, manufacturing and sourcing risks, volatility of stock price, international operations, financial risk management, and future growth subject to risks. NEXX Systems is under no obligation to, and expressly disclaims any obligation to, update or alter its forward-looking statements, whether as a result of new information, future events or otherwise.
